

Leftover medications are a danger to children, families and the environment!

Samaritan Pharmacy is committed to safe medication practices. Your home's leftover medications could lead to:

- Poisoning and accidental death
- Drug addiction, misuse and abuse
- Threatening the health of our water – flushing down the drain or toilet leads to polluted drinking water

**Samaritan
Pharmacy**

samhealth.org/Pharmacy

Bring leftover medications to the nearest drop-off location for proper disposal. Prescription and over-the-counter medications accepted with **NO QUESTIONS ASKED.**
